WHERE CONNECTIONS BEGIN

What sets us apart? At Hartpury Tech Box Park, we're not just another business hub. We're a dynamic community dedicated to fostering innovation, collaboration, and growth within the agricultural sector.

WHAT ARE WE OFFERING BUSINESSES?

THE POWER OF CONNECTION

1. Agricultural industry and market insight

We've got the know-how

Our intel equips businesses to spot opportunities, navigate risks and supports them with driving commercial success.

3. Signposting

We open doors

We help you access grant funding opportunities, research collaborations and expert networks.

5. Leadership skills training

Developing tomorrow's leaders

We provide an exclusive leadership training programme, giving you the right skills to grow your business.

2. Connections

We bring people together

We make introductions. Linking you to the right people and resources through our extensive agricultural ecosystem, helping to spark ideas and access new markets.

4. Opportunities for product field trials

Real world settings

We offer businesses the chance to trial their products in an appropriate agricultural setting within our extensive farming network.

6. Agri-advice and transition support into agriculture

Agricultural consultation and support

We're your trusted ally, offering access to expert advice in key topics such as product development, leadership, agriculture and supply chain management.
